DESCRIPTION OF DUTIES/ESSENTIAL FUNCTIONS

Coordinates and performs general carpentry activities such as design, construction, installation, repair, and renovation of furnishings, cabinetry, doors, windows, walls, ceilings, vents, flooring, building additions, panels, panel, glass, etc. using a variety machines and tools. Maintains a clean and safe work environment. Coordinates and performs general locksmith activities such as the repair, installation/replacement, and re-keying of various types and manufactures of locking systems and associated hardware.

10

WORKING CONDITIONS

Performing these duties will involve expending physical energy for long periods; visually observing and differentiating details; operating city vehicles; walking long distances and standing for extended periods; climbing ladders and stairs; speaking and writing effectively; performing a complex set of activities; adjusting to interruptions and changes; adjusting to repetitive activities; working in adverse weather conditions and exposure to working at different sites; dealing with people in tense situations and lifting up to eighty (80) pounds; and working as a member of the team. May work all weekends and holidays as needed.

11

MINIMUM EDUCATIONAL REQUIREMENTS

Completion of specialized or vocational training of up to 18 months beyond the high school level, that leads to proficiency in a skilled craft.

12

MINIMUM EXPERIENCE REQUIREMENTS

Two (2) years of work experience in carpentry are required.

13

MINIMUM LICENSE REQUIREMENTS

Valid Texas driver's license and compliance with the City of Houston's policy on driving (AP 2-2).

14

PREFERENCES

Good knowledge of carpentry materials, work methods and competence in the operation or related mechanical or electronic equipment. Ability to read blueprints and drawings and to plan and lay out work projects as they relate to construction, installation, and repair of facilities. Experience with cabinets, formica, wall framing and construction are preferred. Additional consideration will be given to those applicants that have locksmith experience. The experience should include the installation, repair, and re-keying of various types of lock systems and associated hardware including but not limited to Schlage, Corbin, Best, Sargent. Master, and other commercial grade lock systems.
